Shamanic Princess of Shadows

by MiaQc

Summary

A one-shot featuring an evil Tiara that rules over the Guardian World and the Human World.

- A translation of La Princesse Chamanique des Ombres by MiaQc

Tiara was supposed to defend the Guardian World and the Human World. It was her sacred duty but she broke her oath by turning evil.

The elders tried to stop her but her power surpassed theirs. The old men found themselves chained to her will.

Lena, her childhood friend, also tried to defeat her with her magic flute and her magic on vines. She failed and cruel Tiara killed her. Her death eliminated her partner Leon.

Kagetsu, her lover, wanted to neutralize her powers to stop her. He almost succeeded but Tiara pushed her power over shadows to its absolute limit, nearly killing her partner Japolo, and she forced Kagetsu under her control. Now he is her slave.

With no one able to stop her, Tiara rules over the Guardian World and the Human World. She is known to all as the Shamanic Princess of Shadows. Japolo is afraid of her and dares not contradict her words. Tiara plays with human lives like puppets when she’s not making love to her Kagetsu.
